<sup>1</sup> Defendants Hartford Casualty Insurance Company and Sentinel Insurance Company, Ltd. (together, "Hartford") specially appeared and opposed the motion to relate substantively and on the grounds that Meta failed to properly serve Hartford with the motion. (Dkt. No. 1521.) Federal Insurance Company joined Hartford's opposition. (Dkt. No. 1526.) The Court ordered Meta to respond to Hartford's opposition (Dkt. No. 1531), and Meta filed proofs of service of the motion to relate and other case documents on this docket, which Meta contends—and it appears—were timely served (Dkt. No. 1572). The parties met and conferred, and while defendants could not confirm service was originally received, Meta sent copies of proof of service over email. (Dkt. No. 1565 at 2.) Defendants should now have at least two copies of proof of service as well as the original service of the motion. The Court thus considers the service issue moot.
